**MORE CRUDE ADVENTURES
COMING IN APRIL!**

CRAYON Shinchan

By Yoshito Usui. Enjoy more adventures of Shinchan and Mitzi in the continuing "Mom and I Are Friends." These tales offer a unique perspective on domestic bliss – with cooking, shopping and potty training all getting the special Shinchan spin. Then he's off to school to wreak havoc on his fellow toddlers in "Kindergarten is a Fun, Fun Paradise." It's unwholesome family fun at it's finest.

Drop your pants and do a dance! Shinchan is here!

The original *Crayon Shinnan* manga by Yoshito Usui was first published by Futabasha back in 1990. In 1992, an anime version began airing on Japanese national TV, and Shinnan's notoriety quickly soared. In one form or another, Shinnan has been appearing around the world ever since. Currently, Shinnan is enjoying a wave of popularity in the United States, thanks to the recent appearance of the anime version in america.

We're happy to be bringing you the complete, translated, CRAYON SHINNAN manga in all of its naughty glory, starting with the first volume and taking it as far as we can go. (And yes, we do mean that in more ways than one.)

If you are a fan of the TV series, you may be asking, "What's with this 'Crayon' business in the title?" Well, he's a little kid and he likes to draw with Crayons. (When not using his Mom's lipstick, of course.) This is how we believe the title appeared on the original manga and we're sticking to it. In fact, we're going to do our best to keep our version as faithful to the original manga as possible, give or take an occasional cultural reference that might be way too obscure for most American readers to get. (Hey, you didn't expect this to be an educational comic, did you?)

You will probably find some other minor differences between our manga and the Shinnan anime. (Obsessive nerd-types: start your engines!) But the important thing is that you will recognize the essential Shinnan in both: the same cluelessness, the same knack for enraging and embarrassing adults, and the same willingness to drop his pants at a moment's notice. Shinnan doesn't try to be bad – it's just his nature!

Meet the Noharas!

SHINOSUKE NOHARA

MITZI NOHARA

HIRO NOHARA

(aka: *Shin, Shirr-chan, Shirr chan, Shirchan*)

5 years old. Likes pretty girls, drawing on himself, rolling around on the floor, and eating a tasty snack called Choco-bees. Frequently uses both words and his Mom's clothing in inappropriate ways. Also obsessed with bodily functions – his own and others'.

(aka: *Misae*)

Shin's easily frustrated mom. She's a stay-at-home housewife with the misfortune of being Shin's full time caretaker. Mitzi hasn't done much better in the husband department either, as Shin's Dad's behavior has to be closely monitored too. Frequently fantasizes about a better life.

(aka: *Hiroshi*)

A browbeaten "salary man" who is the family's sole breadwinner. He's low on the totem pole at work and doesn't get much respect at home either. Like son, like father: Hiro has the eye for the pretty girls too, and Mitzi's none too tolerant of it. He talks a lot in his sleep, which doesn't help things much.
